## Guidelines for Oral Presenters

Unique Oral ID : Track\_O\_XX

### Presentation Duration

- Each oral presentation is allotted **12 minutes**, followed by **3 minutes of discussion**.
- Speakers are kindly requested to plan their talk accordingly and **limit the main presentation to a maximum of 10 slides**.

### Presentation Submission

- As the symposium schedule is very tight, and to avoid loss of time during session transitions, speakers are requested to **send their presentation in advance by email: plasma2025@iittp.ac.in**.
- If you prefer not to send the presentation beforehand, please **bring it on a pen drive** and ensure that it is uploaded to the **main computer before the start of your session**.
- **Use of personal laptops will not be permitted**, as this may lead to technical issues related to projection and resolution.

Thank you for your cooperation and support. We look forward to your valuable participation in **PLASMA 2025**.
